The data from our property observatory present the progression in the number of searches for all destinations available on our sites www.green-acres.com and www.immofrance.com. With more than 12 million page views per month, Green-Acres is the leader for second home for sale adverts in Europe.

Green-Acres : This is the story of a small independent French site that decided to translate its 150 000 house for sale adverts into 17 languages and 12 countries so that everyone could find the house of their dreams... and live there happily ever after.
