Our property observatory data show the changes in the number of internaut searches to all destinations available on our [www.green-acres.com](http://www.green-acres.com) sites. With more than 12 million page views per month, Green-Acres is the leader for second home for sale adverts in Europe.

**Green-Acres : This is the story of the French independent website that decided to translate their 288 000 listings of homes for sale into 20 languages ☐☐and 56 countries, so that everyone could find the house of their dreams. And live there happily ever after.**
